The king saw three potential civil wars on the boil, involving the Palestinians, the Lebanese and the Iraqis. The number one issue that could soothe the region would be the swift creation of a Palestinian state. "The continued denial of Palestinian rights is a fire starter," he said. "If you don't fix the Israeli- Palestinian conflict, you can't have stability in the region. We will all pay the price for what I think may be the last opportunity." Nothing frustrates Israelis more than the suggestion that solving the Palestinian problem has any bearing on Al Qaeda's doings or Iraq. Rabbi David Rosen called that notion a "ridiculous canard." The United States is now absorbed with Iraq. But before Iraq, President George W. Bush made the decision to not even try to be an honest broker between Israel and the Palestinians, reversing 30 years of American foreign policy, as Colin Powell pointed out to the president during one of their first national security meetings. But as part of the new "surge" strategy, the administration has decided to adopt at least one of the Iraq Study Group's recommendations: revive the effort to bring about a two- state solution between the Jordan River and the Mediterranean Sea. Secretary of State Condoleezza Rice recently visited the region, and a meeting of the so-called Middle East Quartet â€”Â® the United States, the European Union, Russia, and the United Nations â€”Â® which so far has made no progress, is </pre>	2007-04-19	TX 6-550-499	2009-08-06	TX 6-684-044
